Dear Mr. Guy:

Re: Corrected Attachment "B", Revised State Permit, Beaver Creek Coal Company, Gordon Creek #2 and 7 Mines, ACT/007/016, Folder No. 3, Carbon County, Utah

In response to your letter of November 1, 1988, enclosed is the corrected Attachment "B" for the revised state permit forwarded to Beaver Creek Coal Company on October 11, 1988. This should clear up any confusion created by the deletion of the county road in July of 1987.

Additionally, in reviewing the currently approved, recompiled mine plan for the Gordon Creek No. 2 and 7 mine, it appears that the "old" figure 1-2 is still included. Therefore, the Division will insert the revised figure 1-2 as approved July 1987 in the recompiled plan.

Thank you for your cooperation in this matter.

Sincerely,
