Dear Mr. Guy:

Re: Review of April 19, 1988 Submittal Regarding Coal Fine
Percentage, Gordon Creek #2 Mine, ACT/007/016-87F, Folder
No. 2, Carbon County, Utah

The Division has reviewed the above noted submittal. One problem remains with the wording on page 3-37 as proposed in your April 20, 1988 submittal. Removal of contaminated material to an approved landfill is not acceptable. The Division would approve the disposal of this contaminated material at the C. V. Spur Refuse Disposal Site, or at an approved industrial waste disposal site.

Please submit a revised page 3-37 to address this concern no later than August 5, 1988. Please feel free to contact me if you should have any questions about this.

Sincerely,

A handwritten signature in cursive script that reads "John J. Whitehead".
