April 11, 1988

The above-noted amendment requests are all substantially overdue. Therefore, the following deadlines for complete and technically adequate responses must be met. Responses for amendment numbers C/007/022-87B and 87E must be received by April 15, 1988. The remaining items must be responded to no later than April 22, 1988. Failure to comply with these deadlines or to provide technically complete responses will result in appropriate enforcement action from the Division.

Please feel free to contact me or the appropriate technical review staff member in order to assure a technically adequate response for each amendment request by the dates established above.

Sincerely,

John J. Whitehead
