Dear Mr. Nodine:

Re: Number Eight Mine Portal Amendment, Beaver Creek Coal Company,  
Gordon Creek #2 and #7 Mine, ACT/007/016, Folder #2, Carbon  
County, Utah

The Number Eight Mine Portal Amendment was approved by the Division on September 20, 1988. This amendment involved additional portals to access a previously permitted portion of Gordon Creek #2 and #7 Mine. Due to an oversight, a copy of the Beaver Creek Coal Company's proposed amendment was not sent to your office along with other copies sent on July 18, 1988.

A copy of the Number Eight Portal Amendment was given to John Miley at the Beaver Creek Coal Company offices on May 4, 1989. The Division requests that your office review this amendment and respond to the Division with your comments.

I apologize for the oversight and hope that this inconvenience will not cause any further delay in your review process.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard V. Smith".
