Re: Division Order DO-91B  
 Gordon Creek No. 2/7/8 Mines  
 ACT/007/016; Folder #2 #2  
 Carbon County, Utah

Attn: Mr. Ken Wyatt

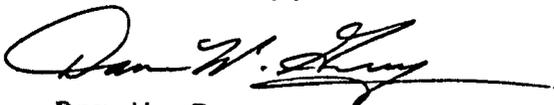

Dear Ms. Littig:

Enclosed are 3 copies of revised pages and plates for the proposed open spillway design for Pond 2 as required by the above referenced Division Order. The pages and plates are numbered and should replace corresponding numbers in the plan upon approval.

At the request of Mr. Ken Wyatt, I have revised the proposed spillway size, based on use of the Broad-Crested Weir Formula.

We are prepared to implement this pond modification yet this fall (weather permitting) upon your approval. If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
