Re: Castle Gate Coal Co., Beaver Creek Coal Co., Genwal Coal Co., Soldier Creek Coal Co., Sunnyside Coal Co., Cyprus Plateau Coal Co.

Pursuant to our telephone conversation of May 30, 1991, it is my understanding that the above named coal operators shall have until June 15, 1991 to provide to you the necessary letter from Carbon County, detailing usage of the roads identified by you in your letters of April 1, 1991, sent to the operators.

As I explained to you, it has taken longer than anticipated to determine the costs Carbon County has expended on each of the roads in the past three years.

If this letter does not adequately reflect our conversation, please let me know as soon as you can.

Thank you very much for your cooperation in this matter.

George M. Harmond, Jr.  
Deputy Carbon County Attorney
