Dear Mr. Guy:

Re: Request for Extension of Submission of Revised Mine Plan,  
Gordon Creek Nos. 2, 7, and 8 Mine, ACT/007/016, Carbon  
County, Utah

I am in receipt of your December 10, 1992, request to extend the submission of revised reclamation plan for the above mine from December 18, 1992 to February 1, 1993. Your letter provided a basis for the extension and asked for modification of items 5 and 6 of the Division's August 17, 1992, letter to Scott Anderson.

The Division approves your December 10, 1992, request for extension as stated. Our mutual objective of continuing final reclamation at Gordon Creek Nos. 2, 7, 8 in 1993, is achievable with this change in submission schedule. Please contact Pamela Grubaugh-Littig or members of her staff should you have questions that need resolution in advance of the February 1, 1993, submission date.

Sincerely,

*Lowell*
