Dear Mr. Guy:

Re: Spillway Change, Mountain Coal Company, Gordon Creek #2, #7, and #8 Mines,
ACT/007/016, Folder #3, Carbon County, Utah

Riprap installation for the spillway channel at the #2 mine sediment pond has been completed. The grouting of this channel may now be foregone, per your verbal request, due to the fact that this area will be reclaimed next spring.

If you have any questions, please call me.

Sincerely,
