Dear Ms. Welt:

Re: Spillway Grouting, Mountain Coal Company, Gordon Creek #2, #7, and #8
Mines, ACT/007/016, Folder #2, Carbon County, Utah

The reclamation of the Gordon Creek #2, #7, and #8 Mine has not yet proceeded. Therefore, pursuant to the letter to Dan Guy dated November 6, 1992, it was understood that the grouting of this channel would not be required if the area was reclaimed in 1993. If reclamation does not proceed this year, the grouting must be completed by November 1, 1993.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
