ACT/007/016  
Carbon County, Utah 2

Dear Mr. Darby:

Enclosed are 8 copies of a proposed amendment to the Gordon Creek No. 2/7/8 Mine Permit. The amendment is being submitted to allow for the construction of a permanent stock/wildlife watering pond, as requested in the July 21, 1995 on-site meeting by Cal and Mark Jacob.

All pages and Plates are numbered, and should replace corresponding numbers or be added to the plan, as indicated. A Permit Change Form is also included, as required.

Information is also provided to clarify the pre-and-post-mining land uses for the property.

If you have any questions, or need any further information, please let me know.

Respectfully,
