Dear Ms. Grubaugh-Littig,

We received the enclosed letter from Mountain Coal Company concerning the reclamation of Gordon Creek mines located on our private property. I would like to meet with you or a representative from the division and Dan Guy on site if it is possible. I talked to Dan and he said that Oct. 10, 1997 would be a possible date. That would be fine with me. Please let me know if this is possible.

Sincerely,

A handwritten signature in cursive script that reads "Mark Jacob".
