Re: Gordon Creek No. 2/7/8 Channel Cross-Sections

Date: July 10, 1998

Mountain Coal Company is herein requesting an extension of the date for submittal of the reclaimed channel cross-sections for the Gordon Creek No. 2/7/8 Mines to 07/31/98.

I have discussed this with Mr. Dave Darby, and he suggested I request an extension. Due to a mix-up on my part, I thought the sections were completed when the profiles were done. It turns out they were not, and we are working on them now.

I apologize for the delay in this submittal, and I hope the requested extension will meet with your approval.

Dan
