Dear Mr. Sampinos:

Enclosed you will find a technical summary of the issues which we reviewed with your clients on October 3, 1997 in the field. I am providing you with this copy in advance of our meeting next week.

At the meeting next Wednesday, we will review these findings and recommendations and those of the BLM with you and your clients. We can then answer your questions in person. The meeting is scheduled for Wednesday, March 18 at 3:00 p.m. in Room 113 of the Dean McDonald Career Center at the College of Eastern Utah. I look forward to seeing you next week.

Sincerely,

Mary Ann Wright
Associate Director of Mining
