Re: Five-Year Permit Renewal- Completeness Determination, Mountain Coal Company, Gordon Creek #2, #7, & #8, ACT/007/016-99PR, Folder #3, Carbon County, Utah

Dear Mr. Hansen:

The Division has determined that the permit renewal application for the Gordon Creek #2, #7, & #8 Mine is "complete and accurate," with the submittal of current bond and evidence of liability insurance. Violation information was submitted but needs to include a brief description of the violation alleged in the notice (R645-801-113.320). Please submit this information by July 16, 1999.

Publication of the public notice for permit renewal may proceed as required by R645-300-121. The publication should now proceed for four consecutive weeks. At the end of the 30-day comment period, findings for the renewal will be made and the permit renewed unless a factual basis for denial of the renewal is presented to and upheld by the Division.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
