Re: Five-Year Permit Renewal - Reclamation Only, Mountain Coal Company, Gordon Creek #2, #7 and #8 Mines, ACT/007/016-99PR, Folder #3, Carbon County, Utah

ch
Dear Mr. Hansen:

The permit renewal for the Gordon Creek #2, #7 and #8 Mine is approved, effective August 28, 1999 with one condition:

"Mountain Coal Company will submit water quality data electronically to the Division for the Gordon Creek #2, #7 and #8 Mine beginning with data for the fourth quarter of 1999."

Enclosed are two (2) copies of the renewed permanent program mining and reclamation permit with the above-noted condition. Please read the permit to be sure you understand the requirements of the permit, then have both copies signed by the appropriate Mountain Coal Company representative and return one to the Division.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lowell".

Lowell P. Braxton
Director
