Re: Revised Permit Area, Mountain Coal Company, Gordon Creek #2, #7 and #8,
ACT/007/016, Folder #2, Carbon County, Utah

Dear Mr. Hansen:

The Division has recently been notified that lease relinquishments have been approved at the Gordon Creek #2, #7 and #8 Mine. Due to the fact that if the leases have been relinquished, there is no longer right of entry for parts of this permit area. Therefore, the permit area needs to represent that area that has legal right of entry.

Please submit a revised legal description and permit area map (with the disturbed area noted) for the Gordon Creek #2, #7 and #8 Mine by November 1, 1999. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela Grubaugh-Littig'.
