Hi Cathy. Mr. Boyd is a Director. He is the Chairman of the Board of Directors - so The Chairman of the Board of Directors is just a title that he has within the Directors.

Jim Florczak has always been the Treasurer beginning in 8/17/1998. He was never VP - Finance.

Let me know if you have any other questions.

Thanks.

Jolene

Jolene:

Wyoming State Department of Environmental Quality is updating their Applicant Violator System. They have asked me to provide the following information:

James Robert Boyd - They have him listed as Chairman of the Board. Is he? Was he? If he was, what were his begin date and end date? They also have him listed as Director. This is what our Data Sheet indicates.

James E. Florczak - They have him listed as Vice President Finance. Did he ever have this title? If so, what was the begin date and end date? We have him listed as Treasurer. If he has a begin date with the "Treasurer" title, may I please have that.

Jolene, thanks in advance for all of your assistance with my many requests!

Cathy
