Pam:

A several weeks ago I uploaded the 2004 3rd quarter water monitoring data for Gordon Creek 2, 7, and 8 Mines to the EDI. I thought I had forwarded an e-mail to the Division indicating the data were there. However, as I see they are still in the queue, I may have forgotten. At any rate, the data is ready to be accepted at your staff's earliest convenience.

Thanks,  
Chris
