1. Permits, Change, Transfer, Renewal, Sale

Three permitting items were discussed, the five year permit renewal that is due April 28, 2004, an application for phase two bond release and the annual report due March 1, 2004. These applications will most likely be submitted separately.

2. Signs and Markers

Signs were adequately posted at the entrance to the reclaimed site. Recent snows had drifted in the access road up to 3' in places making access impossible.

4.b Hydrologic Balance: Sediment Ponds and Impoundments

No discharge had occurred from the pond as the cells were filled with several feet of snow.
