1. Permits, Change, Transfer, Renewal, Sale

Phase two bond release requirements were discussed. A draft application is being prepared and may be submitted in the near future pending Mountain Coal Co's. decision to move forward with phase two bond release for the Gordon Creek 2, 7 & 8 property.

2. Signs and Markers

The fence that runs parallel to the county road at the entrance to the property should probably be reset perpendicular to it's current configuration.

4.b Hydrologic Balance: Sediment Ponds and Impoundments

The sediment pond contained water from recent rains and snowmelt.

13. Revegetation

Vegetation is beginning to emerge at the site. The snow pack has just recently receded leaving the reclaimed areas quite moist and muddy.
