Just finished sending them moments ago. This time I did most of the work myself with some help from one of our employees who used to work at the college post office.

Chris,

have you sent the letters out for Phase II bond release?

I thought that had been completed a couple of years ago. However, I will check with Dan to make sure.

Thanks,  
Chris

**Subject:** Sweets' Pond

Chris,

After your received Phase III bond release for the Sweets' pond area did you ever take the area out of the permit? If not the Division suggests that you do. All that is needed is a simple amendment that include text changes as needed to remove Sweets' pond from the permit area and a change in the permit boundary maps.

Please call me if you have any questions.

Wayne
