I am pretty certain it was submitted. However, I will redo it next week. I am in West Virginia until this weekend. Thanks,  
Chris

Chris,

I am catching up on the water monitoring reports for all of the mines I am now assigned. I don't see any data in the database for Gordon Creek 2, 7, & 8 for the third quarter of last year. Since I was in the O&G program when the data should have come in, I have no idea how the oversight happened. Could you please put the data in the EDI when you get a chance?

Thanks,  
Dana
