Subject: Completion of 2010 Annual Report, Gordon Creek 2, 7 & 8 Mine, C/007/0016, Task ID #3792

Dear Mr. Hansen:

At your request, the Division has reevaluated the requirement to submit updated ownership and control information prepared for incorporation into the M&RP. Certainly we are trying to avoid duplication of efforts as well as trying to reduce paperwork. For this reason we will forgo the requirement to submit 4 copies as a separate application with a C1/C2 form for approval and incorporation into the official mining and reclamation plan. Your updated ownership and control information list submitted with the Annual Report is considered to be adequate. No further information is required at this time; however, we will revisit the ownership and control information during the upcoming midterm review.

Thank you for your help in completing the Annual Report. If you have any questions, please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock  
Coal Program Manager
