Amanda:

I was checking the DOGM EDI site yesterday and noted the 2013 2<sup>nd</sup> quarter water monitoring data for the Gordon Creek 2, 7 & 8 Mines was not included. I thought that I had uploaded the data at the end of June 2013 but apparently not. I have gone ahead and uploaded the data for the 2013 2<sup>nd</sup> and 3<sup>rd</sup> quarters for the mines to the EDI. Let me know if there are any problems with the upload or data.

Thanks,

**Chris D. Hansen**
