Dear Mr. Hansen,

The Division received your request for additional time to address the deficiencies in the Gordon Creek #2, #7 & #8 Mine Midterm review on July 12, 2017. As you stated, there are only a few deficiencies remaining. Please make every effort to wrap up the few remaining deficiencies. It is anticipated that you will meet with the staff (Joe Helfrich and Bev Wisner) to work out the details of your response. You are hereby granted until August 11, 2017 to make the required submittal. Please call me at (801) 538-5325 if you have any questions.

Sincerely,
