RE: Stream Channel Alteration Permit No. 90-91-23SA

Dear Mr. Pappas:

We have reviewed the information submitted with your letter of October 11, 1990. Based on our review, the amendments you have made do not significantly change the project. As a result, our approval letter of September 6, 1990, is still valid.

If you have any questions, feel free to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Richard B. Hall'.
