RE: Permit Revision - Topsoil Storage/Temporary
Waste Rock Disposal Site
Soldier Canyon Mine
ACT/007/018

Dear Daron:

Soldier Creek Coal Company (Applicant) submits herewith a revision to the approved permit for Soldier Canyon Mine (SCM). This expansion will provide the Applicant with the needed area for Topsoil Storage, presently and in the future, and the Temporary Storage of waste rock until our permanent site is approved and constructed. This revision describes the facility that will be added to SCM, the operation of the facility and the reclamation procedures that shall occur during final/permanent reclamation.

The Applicant is planning to start the construction of this facility in March of 1991, therefore, we request the Division favorably review the enclosed revision and issue an approval of the Topsoil Storage/Temporary Waste Rock Disposal Site at the Division's earliest convenience.

If you have any questions concerning this revision, please contact me.

Sincerely,

SOLDIER CREEK COAL COMPANY
