The Division received on May 24, 1991, the formal notification of permit transfer, for operations noted above, from Beaver Creek Coal Company to Mountain Coal Company. As stated in your letter, advertisement of the filing for the permit transfers have been made in the newspaper in the locality of the operations.

The performance bonds must be transferred to Mountain Coal Company and liability insurance coverage must be for Mountain Coal Company for each of the operations.

The signs at each of the operations must also be changed when the permit transfer is approved.

If you have any questions, please call me.

Sincerely,
