Dear Mr. Durrett:

We have received the enclosed report from our Compliance Branch in Washington, D. C., which identified certain problems which prevent the Office of Surface Mining Reclamation and Enforcement (OSMRE) from making the affirmative determination required by Section 510(c) of the Surface Mining Control and Reclamation Act of 1977 necessary to approve the permit transfer application for the Soldier Canyon mine at this time.

Upon resolution, please submit evidence to the Utah Division of Oil, Gas and Mining and OSMRE that the identified problems have been eliminated.

If you have any questions on this matter, please call Rick Lawton or Richard Holbrook at (303) 844-2451.

Sincerely,

Allen D. Klein
