Dear Mr. Durrett:

RE: Self-Bonding Rules, Soldier Canyon Mine, ACT/007/018, #5,
Carbon County, Utah

Enclosed is a copy of the recently revised bonding regulations of underground coal mining in Utah. The self-bonding regulations are found in Section UMC 800.23. In order to meet UMC 800.23(B)(2), the applicant must submit five preceding years of annual reports. The other sections are self-explanatory.

If you have any questions, please don't hesitate to call me.

Best regards,
