Dear Mr. Carter:

Re: Transfer of Permit, Soldier Creek Mine, ACT/007/018, Folder
No. 2 and 6, Carbon County, Utah

With the information supplied in your submittal of September 17, 1985, the application for transfer of permit for the Soldier Creek Mine from Soldier Creek Coal Company to Sunedco Coal Company meets the requirements of UMC 788.18(a) and (b).

The Division must now approve the transfer in writing as per UMC 788.18(c). As you know, approval cannot be given until the Office of Surface Mining completes its compliance review. The applicant (Sunedco Coal Company) must also commit to continue to conduct operations under the requirements of UMC 788.18(c)(3).

Please contact me if you have further questions.

Sincerely,

Susan C. Linner
Reclamation Biologist/
Permit Supervisor
