Dear Mr. Spillman:

RE: Incomplete Bond, Solider Canyon Mine, ACT/007/018, #5,
Carbon County, Utah

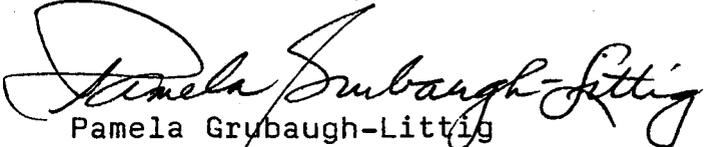

The Division received the bonding package for the Soldier Canyon Mine on May 10, 1985. Upon review of the bond, there are two concerns that must be corrected before the package is complete:

1. The Affidavit of Qualification page is missing from the bond form. I recall speaking with Beverly Catuto on the phone about completing that page. If it was omitted, please send the signed one to the Division, otherwise complete the form enclosed.
2. The Exhibit "'A' area to be bonded" is not clearly defined. The map submitted is a soils relocation map with several legends. This map could still be used, but "bonded area" must be clearly stated.

Please correct this information as soon as possible.

If you have any questions, please call me.

Best regards,

Pamela Grubaugh-Littig
Reclamation Engineer
