Dear Mr. Durrett:

Re: In Mine Water Monitoring Plan, Soldier Canyon Mine, Soldier
Creek Coal Company, ACT/007/018, Folders 2 and 3,
Carbon County, Utah

Please find enclosed the Memorandum to File which details the meeting and discussion concerning in-mine monitoring conducted between David Spillman of Soldier Creek Coal Company (SCCC) and David Darby of our staff.

You may want to incorporate these changes into the mine plan prior to its approval. Otherwise submission of a new monitoring plan will be a stipulation to permit approval.

Please feel free to contact me if you have any questions.

Sincerely,
