RE: Submittal of 1987 Annual Report
Soldier Canyon Mine
ACT/007/018

Dear Ms. Linner:

An extension for submittal of our 1987 annual report was discussed with you during our March 29, 1988 telephone conversation. At that time, a verbal extension was granted up to April 15, 1988. However, summarizing our 1987 monitoring data has been more time consuming than originally expected. This was discussed with Mr. Daron Haddock, of DOGM, during his April 19th mine site inspection. At that time, it was determined that submittal of the annual report should be made no later than April 29, 1988. This date has been accepted by Soldier Creek Coal Company.

Please contact me if you have any questions. Your cooperation concerning this matter is appreciated.

Sincerely,

David G. Spillman
