RE: Soldier Canyon Mine
Exploration Drilling
ACT/007/018

Dear Susan:

Soldier Creek Coal Company drilled (4) four additional exploration drill holes during January, 1989. BLM was notified of the drilling and we committed to follow the stipulations listed for the previous drill holes. All holes were cemented in, but the area will not be reclaimed because of the planned disturbance during the spring/summer for additional portals.

Thank you for your time and if you have any questions, please contact me.

Sincerely,

SOLDIER CREEK COAL COMPANY

J.T. Paluso
Chief Engineer
