Dear Ms. Linner:

Enclosed are 13 copies of revisions to Appendix D of the recent Soldier Creek Coal Company submittal related to their proposed new portal area. These revisions address concerns expressed by Mr. Mike DeWiese of your office regarding the proposed Soldier Creek bypass culvert. Our approach was discussed with Mr. DeWiese prior to preparation of the revisions.

Please remove the latter portion of existing Appendix D, beginning with page 19 of 29 of the calculation sheets, and insert the enclosed revisions.

Thank you for your assistance.

Sincerely,

*Richard B. White*
