RE: Exploration for #3 Fan Site  
ACT/007/018-91E

Dear Daron:

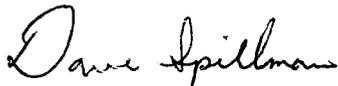

This letter is to inform you that Soldier Creek Coal Company has decided to proceed with Phase II of our proposed #3 fan facility. Continuation of this project will be in accordance with our presently approved exploration permit amendment.

As discussed with you, some minor construction improvements remain to be completed on our exploration access road. Following the final construction, "as built" drawings can be completed. Submittal of the "as built" information is expected to be made during mid-January of 1992.

Please contact me if you have any questions or comments concerning this matter.

Sincerely,

SOLDIER CREEK COAL COMPANY
