RE: Topsoil Storage Site, Permit Revision Package  
Soldier Creek Coal Company  
Soldier Canyon Mine, ACT/007/018  
Carbon County, Utah

Dear Daron:

As requested by DOGM, I have deleted the text of all reference to waste rock. The PRP now refers to only Topsoil and/or Substitute Topsoil. Enclosed are two (2) copies to replace the two copies previously submitted to DOGM, along with ten (10) copies to be distributed to the proper agencies.

The Applicant cannot over emphasize how critical it is that the Division review this PRP and supply Soldier Creek Coal Company with any deficiencies or attach stipulations to the approval.

Your cooperation is greatly appreciated and if you have any questions, please don't hesitate to call.

Sincerely,

SOLDIER CREEK COAL COMPANY
