RE: Mid-Permit Term Review, Soldier Creek Coal Company
Banning Siding Loadout, ACT/007/034

Dear Daron:

Soldier Creek Coal Company (SCCC) is seeking an extension to the January 9, 1991 due date for submitting a cross-reference linking the ORP to the new Utah mining regulations (R614's).

At the present time, SCCC is aggressively working on a Permit Revision Package for its Soldier Canyon Mine and will not be able to meet the due date set by the Division.

Your cooperation will be greatly appreciated.

Sincerely,

SOLDIER CREEK COAL COMPANY

Johnny Pappas
Environmental Coordinator
