Dear Mr. Olsen:

Re: Determination of Completeness for Publication, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018, Folder #3, Carbon County, Utah

Division staff have reviewed your application for permit renewal submitted October 11, 1991 as well as additional information supplied December 4, 1991. Submitted materials are adequate to determine the application package administratively complete for publication purposes.

A technical review is currently being conducted. Any technical deficiencies will need to be addressed prior to renewal approval. At this time you should publish a Notice of Complete Permit Application as required by R614-300-121.100. A notarized proof of publication should be sent to the Division as soon as it is available. The Division will notify all other interested agencies and allow for their comment prior to making a final decision to approve or disapprove the renewal application.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
