Dear Mr. Olsen:

Re: Approval, Exploration for Fan Site, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018-91E, Folder #3, Carbon County, Utah

The submittal received October 10, 1991, regarding the above-noted permitting action was reviewed and found to be complete and adequate by the Division's technical staff.

The Division hereby approves the above-referenced action with the stipulation that work will be done in a manner which will minimize the impact to the drainage near the northern end of the exploration site so as not to disturb the canyon sweet vetch in this area.

Thank you for your cooperation in this matter. If you have any questions, please call me or Paul Baker, Reclamation Biologist, at 530-5340.

Sincerely,
