Dear Mr. Olsen:

Re: Exploration for Fan Site, Soldier Creek Coal Company, Soldier Canyon Mine,
ACT/007/018-91E, Folder #2, Carbon County, Utah.

The Division's technical staff has reviewed the above-noted permitting action and has identified deficiencies which are outlined in the attached memoranda. Please correct these problems and resubmit appropriate sections.

We are waiting to receive comments from the Bureau of Land Management. Hopefully, we can have those and your responses in time that you can complete construction in the time frame that you have identified.

Please feel free to phone me or Paul Baker, Reclamation Biologist, if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
