Dear Mr. Olsen:

Re: Approved Water Monitoring and Seed Mix Amendments, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018-90F, Folder #3, Carbon County, Utah

The submittals received on October 23, 1990 and November 23, 1990 regarding the above noted permitting action were reviewed and found to be complete and adequate by Dave Darby, Geologist, and Lynn Kunzler, Sr. Reclamation Biologist, of the Division's technical staff. The submittal revised pages 4-68, 4-70, and 5-50 of the MRP as well as provided a map of the water monitoring locations.

The Division hereby approves the above referenced amendments. Thank you for your cooperation in resolving this matter.

Sincerely,

Daron R. Haddock
Permit Supervisor
