RE: Permit Renewal Deficiency Responses,
Soldier Creek Coal Company, Soldier Canyon Mine,
ACT/007/018, Carbon County, Utah

Dear Daron:

As per your February 12, 1992 letter, I have enclosed the required page and map replacements submitted on January 7, 24, 29 and 30, 1992, addressing the prior to approval deficiencies. The submittal date along with the page and map replacements are listed below. Several maps were revised subsequent to the permit renewal and two additional copies have been included for the Division's use.

January 7, 1992 submittal:

- o Revised pages 1-15, 1-27, 1-27a and 1-28.
- o Revised Exhibit 3.7-2 showing soil sampling locations and interim revegetation acreage and locations (Eleven copies).
- o Revised Exhibit 5.21-1 (Eleven copies).
- o Revised Exhibit 7.32-1 (Eleven copies).
- o Exhibit 5.21-9 which was inadvertently left out of the PRP and referenced to on page 7-107.
- o Revised list of Exhibits
- o List of Affiliates NOV's

January 24, 1992 submittal:

- o Prime Farmland Determination-Addition to Appendix 2-B.
- o Certified copy of Figure 8. Figure 21 has been removed from the permit and replaced by Drawing 202 and B127, along the verbiage of page 7-117, Vol. 1 and page 5a of 35, App. 7-A.
- o Revised pages 5-3 and 5.56.
- o Revised Exhibits 5.21-3 (Eleven copies).

January 29, 1992 (Hansen, Allen & Luce):

- o Revised page 7-144.
- o Revised Exhibits 5.42a and 760a.

January 30, 1992:

- o Revised pages 2-42, 5-45, 5-46 and 5-84.

I trust you will find an adequate number of copies of the previous submittals. However, should I have inadvertently left out anything, please contact Tom Paluso who will take over my permitting responsibilities. It has been a great pleasure working with you and your Tech. Staff and I wish you all the best.

Sincerely,

Johnny Pappas
Environmental Coordinator
