RE: Approved Mobile Screening Unit, Soldier Creek Coal Company,
Soldier Canyon Mine, ACT/007/018, Carbon County, Utah

Dear Daron:

In response to our telephone conversation and your approval on February 18, 1992, I have shown on Exhibit 5.21-1a an additional location for stockpiling screened coal. After our initial shipment of screened coal, it was obvious that additional space is needed to ensure that an ample supply is always available.

Enclosed are page replacements 5-33, 5-35 and 5-39a, addressing the mobile screening unit support facility, and map replacements for Exhibit 5.21-1a, showing the unit and stockpile approximate locations. Eleven copies are submitted for distribution.

The Division's prompt review and approval of this permit amendment is appreciated. If you have any questions or need additional information, please contact me.

Sincerely,

SOLDIER CREEK COAL COMPANY
