Dear Mr. Paluso:

Re: Extension of Subsidence Buffer Zone Submittal, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018-92-1, Folder #3, Carbon County Utah

On June 29, 1992 the Division received your request for an extension of time to submit your plan regarding subsidence buffer zones. In light of the fact that related issues are required to be addressed in the response to the technical deficiency review, your request is considered reasonable. An extension to September 8, 1992 is hereby granted.

Please make every effort to comply with the September 8th deadline. Further extensions would be extremely difficult. Please call if you have further questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
