Dear Mr. Spillman:

Re: Deficiencies in Reclamation of Fan #3 Exploration Site, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018-92A, Folder #3, Carbon County, Utah

Your submittal, received at the Division Offices on January 22, 1992 regarding the above noted permitting action has been reviewed and found to be deficient at this time. Your proposal to postpone reclamation at the Fan #3 site is hereby denied. You should proceed with your currently approved plan and begin temporary reclamation of the site as per Section 5.6.9 of that plan. Development of this site could then occur at a more opportune time for Soldier Creek Coal Company.

As-builts, which you provided, of the Fan #3 site appear to be inadequate as well. You must correct the deficiencies as outlined in the enclosed technical memos. Please provide a response by March 27, 1992.

If you have any questions, please call.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
