Dear Daron:

Enclosed are the preliminary drafts of the Soldier Canyon Mine and Banning Rail Loadout Facility reclamation agreements. WE are currently waiting for the insurance company to complete the DOGM certificate form. Once we receive these, the complete agreements will be reviewed by our counsel in Roanoke, Virginia and then submitted to the Division.

Please look these preliminary drafts over so that any necessary modifications can be incorporated in the final submittal.

Thank you for your patience. If you have any questions please feel free to call me at any time.

Very truly yours,
SOUTHERN UTAH FUEL COMPANY
