Re: NOV N93-38-1-3 Abatement Plans, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018, Folder #3, Carbon County, Utah

Dear Mr. Olsen:

The Division has completed a review of your plans and designs submitted as abatement for NOV N93-38-1-3 (Parts 1, 2, and 3). The plans are considered to be complete and accurate and are adequate to abate the violations. Enclosed you will find a termination notice which terminates all three part of the NOV.

Even though the NOV has been terminated, you are still responsible for providing the revised information for insertion into your Mining and Reclamation Plan. Please submit ten (10) complete sets of the amended pages and designs by no later than January 21, 1994 for distribution.

If you have questions, please call me or Sharon Falvey.

Sincerely

A handwritten signature in cursive script that reads "Daron R. Haddock".
