Dear Mr. Paluso:

Re: Correction to Permit Document, Soldier Creek Coal Company, Soldier Canyon Mine, ACT/007/018, Folder #3, Carbon County, Utah

It was recently brought to our attention that a clerical error was made when preparing your permit document during the February 3, 1992 renewal. A 40 acre parcel of land in Township 13 South Range 11 East known as Lot 8 in Section 1 was inadvertently omitted from the legal description of your permit area. This 40 acre lot was previously added to your permit area on October 18, 1990 after a lease adjustment was made by the BLM on Federal lease U-50722. For some reason we missed including it in the legal description when we did the permit renewal even though the public notice and other permit documents contained the correct information.

In order to correct the error we have enclosed a corrected page 2 of your permit which has the appropriate legal description. Please replace the old page 2 with this revised page. Also replace Attachment "B" with the revised map showing the corrected permit area. No other changes to your permit document should be made.

We apologize for any inconvenience this may have caused. Please call if you have any questions.

Sincerely

A handwritten signature in black ink that reads "Daron R. Haddock".
